Dental Coverage – PLUS

Assurant Supplemental Coverage
» Pays cash right to you

Level 3 - Plus

Get cash to help pay for dental checkups and treatment

Regular dental care can mean more than a brighter smile – it could also mean better overall health. Dental Coverage from Assurant Health pays cash benefits when you have dental checkups and treatment – making it easier to keep up with regular visits to the dentist and lead a healthier life.

Diane's story

Diane has always taken care of her teeth and faithfully visits her dentist every six months. Her Dental Coverage – Plus plan helps by paying \$100 for each preventive visit. However, it was in the second year of her plan that she saw its real value. Without any warning, one of her teeth cracked requiring a root canal and a crown.

With Dental Coverage – Plus Plan – Diane received benefits totaling \$835. The cash made it easier to pay for the work, so she had it done when she needed it, instead of putting it off and risking a more serious problem. After her benefit was paid, Diane still had \$665 of Basic and Major Services benefits remaining for the year – just in case there were any more dental surprises.

Diane and her husband pay less than **\$92/month**
for their Dental Coverage.

Individual rates start* at around **\$20/month**.

Not an actual case – presented for illustration only. Actual services and benefit may vary. Sample premium rate is for Dental Coverage - Plus for two adults, age 50, residing in Tennessee. The same dental plan purchased along with an Assurant Health Individual Major Medical or Health Access plan would cost \$55.08 per month.

*Sample premium rate is the per-adult rate for a Dental Coverage - Plus plan that covers two adults, age 30, residing in North Carolina, and is purchased along with an Assurant Health Individual Major Medical plan.
